

The 29th FAOBMB & 2022 CSBMB Conference Registration Instructions

For overseas participants, please carefully review all of the information presented on this page PRIOR to beginning your registration.

1. Click the red button “Registration (Overseas)” on [the registration page](#) and start to register for the conference. Please note: If you come from any countries / regions that are among the list of [FAOBMB Constituent Societies](#), you will be considered as FAOBMB members.

2. After you successfully submit the information on the initial registration page, you will see the interface of User Center. You can pay the registration fee by clicking the blue button “Pay”. Your registration will not be considered finalized until payment has been RECEIVED by CSBMB. **(Warm tip: Online payment is preferred because the verification of bank remittance usually delays due to the long processing cycle.)**
